Dear Sarah

**Application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area**

Lanreath Parish Council gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a neighbourhood area for the Lanreath Parish Neighbourhood Development Plan.

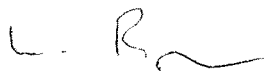

A map identifying the area, to which the application relates, being the entire parish area of Lanreath accompanies the application.

This area is considered appropriate to be designated as a neighbourhood area for the following reason:

The designated Neighbourhood Plan area forms the existing Lanreath Parish Council area. Councillors currently represent and serve this area and the Parish Council considers it essential that the plan addresses the needs of the whole of the parish.

Lanreath Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the Parish Council for the entire area applied for.

Yours sincerely

Mrs L Rigler  
Clerk to Lanreath Parish Council
