Highways Agency 20 February 2015:

"Dear Miss Pitt

A30 (T): Designation request for a Neighbourhood Development Plan area - Lanreath, Cornwall

Thank you for your letter of 18 February consulting the Agency on the application by Lanreath Parish Council for designation of the Parish as a Neighbourhood Development Plan (NDP) area.

The Agency is responsible for operating, maintaining and improving the strategic road network which in Cornwall comprises the A30 and A38. The Agency is keen to support the development of neighbourhood plans and the delivery of local growth and therefore has no

objection in principle to the Parish becoming an NDP area. Whilst it is unlikely that any future development proposals the plan may contain will have the potential to impact on the A38, the Agency would nonetheless welcome the opportunity to comment further on the plan as it develops.

If you have any queries please don't hesitate to contact me.

Yours sincerely

Sally Parish”

Affordable Housing: 19 February 2015

“NOTE: Comments are confined only to the affordable housing implications of this proposal.

SUMMARY

The affordable housing team **SUPPORT** the proposal to designate, and recommends that the objectives of any Neighbourhood Development Plan take into account the local need for affordable housing.

RELEVANT POLICY POSITION

Neighbourhood Development Plans need to be consistent with national and strategic guidance, and with regard to affordable housing issues this is contained in the emerging Cornwall Local Plan and the consultation draft Cornwall Affordable Housing Supplementary Planning Document, both being consistent with the objectives of the National Planning Policy Framework. These documents define and explain affordable housing in some detail and should be referred to in the development of the Plan.

HOUSING NEED

Affordable housing need evidenced through Homechoice indicates 18 households currently registered; 10 x 1bed, 4 x 2 bed, 2 x 3 bed, 1 x 4 bed, and 1 x 5 bed homes. Whilst all 18 households would qualify for local housing, only 5 households indicated that their first preference is to remain in the parish. This may reflect a need to live elsewhere, or anticipation that there may be earlier or increased opportunities available elsewhere. The Plan may wish to consider whether further survey work or evidence gathering is required.

DELIVERY

There are 22 affordable homes in Lanreath, managed by Cornwall Housing and Guinness Trust.

There are two approved planning applications which, if developed, would provide 10 affordable homes.

After taking these into account, and the currently known preferences of those on the Homechoice register, there is the possibility that these opportunities might meet current need. Careful consideration should be given as to whether there is need for any additional affordable dwellings.

If current planning applications do not result in providing the anticipated affordable homes, any unmet need could either be met through negotiation with existing and traditional developer / Registered Provider partnerships, and these should take account of the eligibility criterion and housing allocations procedures explained in the Councils adopted Homechoice policy.

Alternatively, the Plan may wish to consider the opportunities offered under the Governments' Community Right To Build initiative, which complements the Neighbourhood Development Plan process, and which allow communities to directly own, develop, and manage affordable housing for local people.

Any Neighbourhood Development Order proposals should adequately inform aspects relevant to successful delivery, including:

- o Land ownership, availability, and cost
- o Tenure
- o Mix
- o Unit size / number of persons
- o Affordability
- o Delivery mechanisms and partners
- o Economic Viability

- o Funding requirement / availability
- o Phasing
- o Clusters
- o Ratio of flats
- o Larger family accommodation
- o Adapted accommodation
- o Quality Standards (HQI)
- o Self-build"

"Dear Miss Pitt

NEIGHBOURHOOD AREA CONSULTATION - LANREATH

Thank you for giving notice that Lanreath Parish Council has applied to designate Lanreath as a Neighbourhood Area under Part 2 of the Neighbourhood Planning (General) Regulations 2012.

English Heritage has no objection to this proposal.

We would like to take the opportunity of the consultation to outline the range of support English Heritage is able to offer in relation to Neighbourhood Plans. It would be helpful if this response can be copied to the Parish Council for their information.

Research has clearly demonstrated that local people value their heritage and Neighbourhood Plans are a positive way to help communities care for and enjoy the historic environment.

English Heritage is expecting that as Neighbourhood Planning Forums come to you to seek advice on preparing Neighbourhood Plans they will value guidance on how best to understand what heritage they have, as well as assistance on preparing appropriate policies to secure the conservation and enhancement of this local heritage resource.

Information held by the Council and used in the preparation of your Core Strategy/Local Plan is often the starting point for Neighbourhood Plans. Other useful information may be available from the Historic Environment Record Centre or local environmental and amenity groups. For example, our records show that the area has 1 Grade I, 1 Grade II* and 9 Grade II Listed Buildings, 2 Scheduled Ancient Monuments (one of which is on the national Heritage At Risk Register) and 1 Conservation Area. English Heritage also publishes a wide range of relevant guidance. Links to these can be found in the appendix to this letter.

Plan preparation also offers the opportunity to harness a community's interest in the historic environment by getting them to help add to the evidence base, perhaps by creating and or reviewing a local heritage list, inputting to the preparation of conservation area appraisals and undertaking or further deepening historic characterisation studies.

English Heritage has a statutory role in the development plan process and there is a duty on either you as the Local Planning Authority or the Neighbourhood Planning Forum to consult English Heritage on any Neighbourhood Plan where our interests are considered to be affected as well as a duty to consult us on all Neighbourhood Development Orders and Community Right to Build Orders.

English Heritage will target its limited resources efficiently. We will directly advise on proposals with the potential for major change to significant, nationally important heritage assets and their settings. Our local offices may also advise communities where they wish to engage directly with us, subject to local priorities and capacity.

English Heritage fully recognises that the neighbourhood planning process is a locally-led initiative and communities will shape their own neighbourhood plan as informed by the issues and opportunities they are most concerned about and relevant to the local area. As a national organisation we are able to draw upon our experiences of neighbourhood planning across the country and information on our website might be of initial assistance <http://www.english-heritage.org.uk/caring/get-involved/improving-your-neighbourhood/>. It is envisaged that the website will be progressively updated to share good practice in the management of the historic environment through neighbourhood planning.

Should you wish to discuss any points within this letter, or if there are issues about this Neighbourhood Plan Area where the historic environment is likely to be of particular interest, please do not hesitate to contact me.

Yours sincerely

David Stuart

Historic Places Adviser”

Constraints and designations:

Not applicable.

Relevant policies, SPGs and Government guidance:

Not applicable for the designation process.

Appraisal/key issues and conclusion:

The main issues in determining this application are:

- Whether an application for a Neighbourhood Area has already been made covering all or part of this area (as there can only be one Neighbourhood Area in each location and they cannot overlap)
- Confirmation that the applicant is a ‘relevant body’ to undertake Neighbourhood Planning in that area in accordance with section 61G of the 1990 Act and section 5C of the 2012 Regulations (i.e. a parish council or Neighbourhood Forum).
- Assessment of whether the extent of the Neighbourhood Area is appropriate.

No other application has previously been made covering all or part of this area and there are no existing designated Neighbourhood Areas covering, or close to the boundary of Lanreath Parish.

Lanreath Parish Council is a relevant body to undertake Neighbourhood Planning in that area in accordance with section 61G of the 1990 Act and section 5C of the 2012 Regulations.

The Neighbourhood Area is considered appropriate as it follows the boundary of the area covered by Lanreath Parish Council.

It is therefore considered to be an appropriate area in which to prepare a Neighbourhood Development Plan.

Recommendation:

The Neighbourhood Area illustrated on Plan 1 is designated in accordance with the Neighbourhood Planning (General) Regulations 2012.
