Recommendations:

1. That the Roseland Peninsula Neighbourhood Area is designated in accordance with the Neighbourhood Planning (General) Regulations 2012.

1. Executive Summary:

In accordance with the Neighbourhood Planning (General) Regulations 2012 ('The Regulations') any Neighbourhood Plan being produced must be carried out within a Neighbourhood Area the extent of which must

Cornwall Council

submitted to, publically advertised and consulted on for prescribed period and approved by Cornwall Council.

The Parish Councils of Gerrans, Philleigh, Ruan Lanihorne, St. Just in Roseland and Veryan are working on the preparation of a Neighbourhood Plan for the combined area of the five parishes, known as the 'Roseland Peninsula Area.' An application for the designation of Neighbourhood Area was made to Cornwall Council and advertised between 4th April and 16th May 2013.

No objections were received to the advertisement of the Neighbourhood area and it is therefore recommended under regulation 6 that the Neighbourhood Area designation is confirmed and advertised as required by Regulation 7.

2. Background and Corporate Objectives:

The Parish Councils of Gerrans, Philleigh, Ruan Lanihorne, St. Just in Roseland and Veryan gave notice of their intention to prepare a Neighbourhood Plan with individual letters received from each parish council between December 2012 and March 2013. They have been working on preparing a neighbourhood Plan since that time. The group is properly constituted according to the Neighbourhood Planning (General) Regulations 2012.

Where an application is in accordance with the Regulations, Cornwall Council is required to designate the Neighbourhood Area under regulation 7.

3. Decision and Supporting Information:

The Neighbourhood Planning (General) Regulations 2012 require that provided the Neighbourhood Area meets the requirements as set out in Section 61G(2) of the Town and Country Planning Act (1990) and parts 2 and 3 of the regulations then the Council must publicise the application for the application for a period of 6 weeks.

The application for designation of the combined parish areas was advertised for a 6 week public consultation period between 4th April and 16th May. No objections were received in respect of the notice.

The Parish Councils of Parish Councils of Gerrans, Philleigh, Ruan Lanihorne, St. Just in Roseland and Veryan are 'relevant bodies' under the Regulations and the proposed Neighbourhood Area is considered to be reasonable.

It is considered that the application for designation of the Roseland Peninsula area as a Neighbourhood Area has satisfied the requirements of

Cornwall Council

the Regulations and as no objections have been received the decision to designate it as a Neighbourhood Area should be approved by the Cornwall Council.

Cornwall Council is now required to publicise the designation of the Neighbourhood Area in accordance with regulation 7.

4. Contributions to Corporate Priorities:

The vision for Cornwall aspires to 'Strong and Inclusive Communities' which neighbourhood Planning could help to achieve. The Planning and Regeneration Service Plan includes a vision and principle to 'support local communities by facilitating them to help bring about an understanding of Places and Plan for its delivery at a local level'.

5. Financial Implications and Budget:

The publication of the Neighbourhood Area Designation in local media will attract a one off advertising cost.

The Regulations requires the advertisement by the Local Planning Authority of various stages of the Neighbourhood Plan process and as such this will attract similar costs as the plan progresses.

6. Other Resourcing Implications:

There are not considered to be any additional resourcing implications as a direct result of this decision.

7. Legal Implications:

There are not considered to be any additional legal implications as a direct result of this decision.

8. Equality Impact Assessment:

There are no negative impacts of this EIA.

The process following on from the designation of the Neighbourhood Area (creating the Neighbourhood Plan) will need to be informed through the development of an Engagement Strategy/Plan that assesses how groups and individuals can be included in plan making, potential barriers to engagement and potential solutions.

9. Significant risks:

There are not considered to be any significant risks that would occur as a direct result of this decision.

Cornwall Council

10. Consultation including Overview and Scrutiny Committee and Local Member Representation:

Consultation has taken place in accordance with Regulation 6 of The Neighbourhood Planning (General) Regulations 2012.
