Dear Maxine,

## **Designation of Neighbourhood Plan Area**

St Erth Parish Council gives notice that it wishes to make an application under Part 2 (5)(1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the St Erth Neighbourhood Development Plan.

The application is accompanied by a map identifying the area to which the application relates – being the entire parish area of St Erth.

This area is considered appropriate to be designated as a Neighbourhood Area because:

1. The area forms the existing St Erth Parish Area that is served by the Parish Council;
2. The area already has legal and administrative status; and
3. The area is the same as that covered by the existing St Erth Parish Plan and so provides continuity with work and community engagement undertaken previously.

St Erth Parish Council is the relevant body for the purposes of Section 61G of the 1990 Town and Country Planning Act, being the Parish Council for the entire area applied for.

Yours sincerely,

Peter Rylett  
Clerk to the Council
