5th July 2013.

H. ADAM,

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

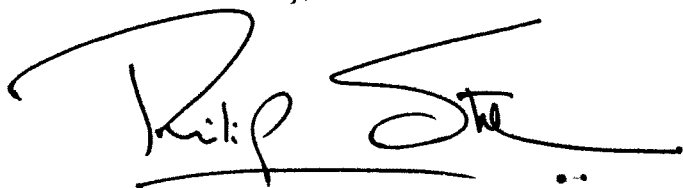

The Tresmeer Parish Council hereby gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the Tresmeer Parish Neighbourhood Plan.

The application is accompanied by a map identifying the area to which the application relates, being the entire parish area of Tresmeer shown on the attached map..

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The Tresmeer Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.
- It is the area the plan will wish to protect from inappropriate development.
- The prospect of co-operating with a neighbouring Parish Council has been considered by the Tresmeer Parish Council and is not thought to be a practicable option at this time.

Yours faithfully,

Philip Stephenson
Clerk.
