Dear Sir/Madam

Designation of Neighbourhood Plan Area

Illogan Parish Council gives notice that it wishes to make an application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Plan Area for the Illogan Neighbourhood Development Plan.

The application is accompanied by a map identifying the area to which the application relates – being the entire parish area of Illogan.

This area is considered appropriate to be designated as a Neighbourhood Plan Area because:

- The area forms the existing Illogan Parish Area that is served by the Parish Council;
- The area already has legal and administrative status;
- The area is the same as that covered by the existing Illogan Parish Plan and so provides continuity with work and community engagement undertaken previously; and
- Following a public meeting held, there is support from the community for the production of a Neighbourhood Development Plan.

Illogan Parish Council is the relevant body for the purpose of Section 61G of the 1990 Town and Country Planning Act, being the Parish Council for the entire area applied for.

Yours faithfully

Sarah Willsher
Clerk to Illogan Parish Council
