St Stephens by Launceston Rural Parish Council give notice that we wish to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012/2015 for the designation of a Neighbourhood Area for the Neighbourhood Development Plan.

The application is accompanied by a map (below) identifying the area to which the application relates, being the entire area of St Stephens by Launceston Parish.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The Parish Council resolved to develop a plan for the neighbourhood area at a council meeting on 12 February 2015 and also 12th November.
- The community agreed that a neighbourhood plan should be developed. public meetings have been held on 25th July, 22nd October and 19th November.
- we consider that the whole of the parish of St Stephens by Launceston, is the most appropriate area to be covered by the plan.

St Stephens by Launceston Rural Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.
