

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Redruth Town Council give notice that we wish to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012/2015 for the designation of a Neighbourhood Area for the Neighbourhood Development Plan.

The application is accompanied by a map (attached) identifying the area to which the application relates, being the entire area of Redruth Parish.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The Town Council resolved to develop a plan for the neighbourhood area at a council meeting on 26th October 2016.
- From a consultation exercise held on 5th March 2016, the majority of those questioned (98%) supported a Neighbourhood Plan.
- We consider that the whole of the parish of Redruth is the most appropriate area to be covered by the plan.

Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.
