Hi

I would like to comment

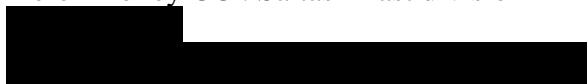

Sorry the online form would not work with this iPad

One comment only: there should be mention of the emerging importance of the CNA's (through the CNP's) as consultees in a range of matters . Perhaps in 4.1.1 and a column in the 4.3 table

Please consult with the portfolio holder and Simon Mould....they are serious about this and it would be a good chance.

Kind regards

Derek Holley CC : Saltash East division

Copy also to Jason from the CC Web team about the form
