Your comments

You may append additional sheets if you need more space to respond to any of the questions.

1. Please set out below any concern(s) you have with the Cornwall Statement of Community Involvement including any change(s) you consider necessary to address this concern(s).

You will need to say how the change(s) will address your concern(s) and it would be helpful if you could put forward your suggested revised wording to the text. Please also state which paragraph (s) your concern(s) and change(s) refers to.

Paragraph	Concerns, changes and reasons/evidence
Table 1 (4.3)	Helston Town Council wishes to raise concern with the method of community engagement listed in Table 1 under paragraph 4.3 which omits discussion with the electoral division member for Householder, Conservation Area Consent and Listed Building Consent applications. Members are also very concerned with the summary of consultation methods listed in Table 2 under paragraph 4.4 which omits consultation with the local council for Minor Development and Householder Developments. Helston Town Council is very concerned that these exclusions are not in accordance with current consultation procedure and would be detrimental to the democratic process. Helston Town Council would only recommend adoption of the Cornwall Statement of Community Involvement if these omissions were reversed.
