Sam,

I find this strange if it is true. I will read the document later but just wanted to comment.

I thought that under the Town & Country Planning Act planning authorities had to inform parish councils and have regard for comments. See page 167/8 of the Parish Councillors Guide By Paul Ckayden. Or has this changed?

Good morning,

Page 17 states that the Local Council will no longer be consulted on householder applications or applications for minor development (1-9 houses). Is this correct? It seems very strange to not consult Parish and Town Councils on new housing developments.

I look forward to hearing from you.

Sam
