Please see below Illogan Parish Council's response to the above Consultation:

Illogan Parish Council welcomed being consulted on the Cornwall Statement of Community Involvement for Planning. The Council welcomed section 4 and in particular sections 4.1 and 4.1.1. Illogan Parish Council publishes on its website how we deal with planning applications and pre-applications and that there would put an article in the Illogan Review newsletter further publicising how we deal with planning. The Council feel that it would be useful if PACE (Pre-Application Community Engagement) was advertised more widely and that this Council would wish to see Cornwall Council taking a more pro-active approach to advertising.

Kind Regards

Sarah
