Response provided under: Freedom of Information Act 2000

Request:

Under the Freedom of Information act please could I request a full list of all the sub-contractors/suppliers that were involved on **Kresen Kernow - Archive Centre** under the main contractors **Midas Construction**.

These details can be found in the health & safety documents (which is a requirement by law), if you cannot locate the details in house can you please request them direct from the Principle Contractors **Midas Construction** as they are covered under F.O.I as the principle contractor working on behalf of a government body and it is therefore deemed that any information they hold in relation to this project is held on your behalf. This request has been made under advice from the commissioner`s office.
