Dear Care Home Provider,

Care Homes Contract

We write further to the Cornwall Partners in Care (CPIC) Forum meeting of 22 May and this morning's Provider Partnership Meeting. We are pleased to share the slide deck presented at the CPIC Forum, which includes information about the new Joint Strategic Commissioning Project and summary of the feedback from the workshop.

To ensure all stakeholders have an opportunity to take part in the development of the commercial and market development strategies, we would like to seek your views about the challenges and opportunities facing the care home provider market now and in the future. A survey is available for you to complete in the attached Word format please return to contractsadults@cornwall.gov.uk or kccg.contracts@nhs.net by 19 July 2019.

Further to feedback from providers at the recent CPIC meeting, we will also be arranging locality engagement workshops in six areas. These will take place in July and September 2019 and will offer providers an additional opportunity to discuss the future market development with us. We will be in contact in due course to invite you to attend these sessions.

Thank you for your continued engagement in the process. If you have any questions about the above please do contact the Council at contractsadults@cornwall.gov.uk and/or NHS Kernow at kccg.contracts@nhs.net

Yours faithfully
