

Reference Number: FOI-101004417038

Response provided under: Freedom of Information Act 2000

Request:

- 1. Please provide us with the number of young people who have been released from detention with electronic tagging at the mid-point of their Detention and Training Order (DTO) under supervision of your youth offending team or equivalent, in the past twelve months.**

<5

Please note that we have withheld the requested information under Section 40(2) (Personal Information) of the Freedom of Information Act (FOIA).

Section 40(2) applies where disclosure of third party personal information would breach of one or more of the Data Protection principles.

We believe that the release of this information would risk the identification of individuals concerned, and therefore be unlawful under the DPA. For this reason, we have chosen not to provide an exact figure in cases where the true number falls between one and five as release could potentially identify individuals, third parties or personal information relating to an individual.

The Council has a legal requirement under the Data Protection Act 2018 (“DPA”) to process personal data fairly and lawfully. The Council considers that releasing third party personal information would be unfair and as such a disclosure that would breach Principle One of the DPA
