for Families

Reference Number: FOI-101004416531

Response provided under: Freedom of Information Act 2000

Request:

1. A list of *all* Primary, Infant and Junior schools in Cornwall and whether they were oversubscribed or not-oversubscribed on national offer day 2019 (16th April).

Please include each school's Unique Reference Number (URN), DFE code, and/or address/postcode to allow us to identify each relevant school without ambiguity.

We define a school to be oversubscribed if, and only if, at least one on-time applicant was refused a place and the applicant did not receive an offer from any higher preference school.

If there were no refusals to on-time applicants - even if the school was unable to accept one or more late applications, or admitted over its published admission number - then we do not consider this school to be oversubscribed.

If you use a different definition of oversubscription, then please make this clear in the response.

2. The total number of places offered at each school.

Questions 3-5 apply to oversubscribed schools identified in question 1 only:

3. The number of on-time applicants refused a place who did not receive a place at any higher preference school.

By this we mean the number of unsuccessful on-time applicants remaining on each school's waiting list. Please answer for each individual school.

4. The admission criterion under which the last successful applicant was admitted.

5. The home-to-school distance of the last successful applicant, assuming distance was used to allocate this place.

Please include measurement units and whether this is based upon a walking/driving route, straight line/as the crow flies distance or an alternative measurement system.

Please always list all schools within Cornwall Local Authority even if you are unable to provide all the requested information - simply mark the relevant values as 'Not Known'.

Response:

Please note that some figures have been suppressed because the statistical value is less than 5 individuals or cases. The Local Authority follows the Department for Education's guidance in suppressing numbers less than five when producing statistics.

We consider that the search result has resulted in information which is probable/likely to result in individuals or cases being identified. Therefore we consider that it should be withheld from disclosure to you pursuant to the provisions of Section 40 of the Freedom of Information Act ("the Act").

Section 40 (2) applies where disclosure of third party personal information would breach any of the Data Protection Act 2018 principles.

The Council has a legal requirement under the Data Protection Act 2018 (“DPA”) to process personal data fairly and lawfully. The Council considers that releasing third party personal information would be unfair and as such a disclosure that would breach Principle One of the DPA.
