We have used Section 22 of the Freedom of Information Act 2000 and a full explanation is below:

Under Section 22 (Information intended for future publication) of the Freedom of Information Act 2000 we will be releasing that information at a later date. In applying this exemption we have had to balance the public interest in withholding the information against the public interest in disclosure. The Council has concluded that the public interest test favours non-disclosure because although disclosure of this information would give answer this request fully now, the Council needs this time to formulate the document effectively before it is published on our website. Therefore in conclusion we are of the opinion that the balance of public interest favours non-disclosure of this information in all circumstances of the case at this time.
