<b>Definition of a neighbourhood area</b>	An area that is designated by the LPA as a neighbourhood area when a parish council applies	1990Act 61G (1) (2)		
<b>Information on receipt of area application for a NDP</b>	The information that should be submitted to the LPA is: 1. A map identifying the area 2. Statement explaining why it is considered an appropriate neighbourhood area 3. Statement that the organisation making the application is a relevant body. If the application does not contain this information, it should be returned.	Regulation 5 1990 Act 61G (2) b. This was approved by Cornwall Council on 3rd May 2017.	Yes
<b>Publicising the application for the area NDP</b>	The LPA should, as soon as possible after receipt of the application for area designation, publicise* the application on its website and in such other manner as they consider is likely to bring the area application to the attention of people who live, work or carry on business in the area to which the applications relates and invite representations for a period of not less than 6 weeks. The information to be publicised is: 1. a copy of the area application 2. details of how to make representations 3. details of the deadline for representations, not less than 6 weeks after the date of publication.	Regulation 6 Amendment Regulations 2016 Regulation 5a	Under the amended Neighbourhood Planning Regulations 2016, Neighbourhood area designations are not required to go out to statutory consultation before a decision is made, if the Neighbourhood area covers the whole of the Parish Boundary. The designation application and map were publicised on the Cornwall Council website on 3 <sup>rd</sup> May 2017. The parish boundary was designated as the Neighbourhood area.	Yes

<b>Determining the application criteria for a neighbourhood area</b>	The LPA should be sure that parish council applications cover part or all of the Parish. In determining the application, the LPA must consider: 1. how desirable it is to designate the whole of the parish area as a neighbourhood area, and 2. how desirable it is to maintain the existing boundaries of areas already designated as neighbourhood areas (as designated neighbourhood areas must not overlap), as well as 3. whether they should designate the area as a business area.	1990 Act 61G (3) (4) (7) 61H (1)	Individual Portfolio Holder Decision Report produced. The decision notice was issued on 3rd May 2017.	Yes

<b>Scope of NDP Provisions</b>	1. The NDP must specify the period for which it is to have effect 2. It cannot include provision about development that is ‘excluded development’	2004 Act s 38B (1 & 2) (4)	1. The plan covers the period 2019 – 2030. 2. Does not include ‘excluded development’	Yes

	3. It cannot relate to more than one neighbourhood area or repeat an existing planning permission		3. The plan only relates to the one neighbourhood area as agreed by the designation notice approved by CC on 3rd May 2017, and does not repeat an existing PP.	
<b>Pre-submission consultation by Parish council</b>	<p>Before submission to the LPA the qualifying body should:</p> <ol style="list-style-type: none"> <li>1. publicise (but this does not have to be on a web site) in a way that is likely to bring to the attention of people who live work or carry on business in the area details of: <ol style="list-style-type: none"> <li>a. the proposals,</li> <li>b. when and where they can be inspected,</li> <li>c. how to make representations, and</li> <li>d. the deadline for making representations – not less than 6 weeks from first publicised</li> </ol> </li> <li>2. consult any consultation body listed in The Neighbourhood Planning (General) Regulations 2012 Schedule 1 whose interests they consider may be affected by the proposals for a NDP.</li> <li>3. send a copy of the NDP to the LPA</li> </ol>	Regulation 14	The Pre-Submission Consultation was held between 21st October and 7th December 2019. Hard copies of the NDP were available to view at the Budock Parish Council office, the village shop and Trelowarren Arms public house in Budock Water and on the NDP website during the six week consultation period. There were two events were held for the local community on 12 <sup>th</sup> and 19 <sup>th</sup> October 2019. All statutory consultation bodies were consulted.	Yes
<b>Receipt of draft NDP by LPA</b>	<p>The draft plan should include:</p> <ol style="list-style-type: none"> <li>1. a map or statement identifying the area to which the plan relates,</li> <li>2. the consultation statement - which contains details of those consulted, how they were consulted, summarises the main issues and concerns raised and how these have been considered, and where relevant addressed in the proposed NDP,</li> <li>3. the proposed NDP,</li> </ol>	Regulation 15	<p>Documents received by Cornwall Council 15<sup>th</sup> April 2020.</p> <ol style="list-style-type: none"> <li>1. Plan contains map</li> <li>2. Consultation statement received which covers these points</li> <li>3. Plan received</li> <li>4. Basic conditions statement</li> <li>5. Strategic Environment Assessment Screening Opinion Decision is available in the Basic conditions statement appendix</li> </ol>	Yes

	<p>4. a statement explaining how the NDP meets the 'basic conditions' i.e. requirements of para 8 schedule 4B to the 1990 Act</p> <p>5. Where appropriate, the information to enable appropriate environmental assessments if required e.g. that will enable the LPA to make an assessment under the Conservation of Habitats and Species Regulations 2010 where the plan proposal is likely to have significant effects on a European site or European offshore marine site, or the Environmental Assessment of Plans and Programmes Regulations 2004</p> <p>6. The making of the neighbourhood plan does not breach the requirements of Chapter 8 of Part 6 of the Conservation of Habitats and Species Regulations 2017(3).</p>	<p>The Conservation of Habitats and Species Regulations 2010 as amended by Schedule 2 of the Neighbourhood Planning General Regulations) 2012. i.e. Regs 102 and 102A</p>	<p>5. Screening Opinion given 30<sup>th</sup> April 2019 concluded that Strategic Environment Assessment (SEA) and Habitat Regulations Assessment was not required. Due to a legal judgement which has implications for the way Habitats Regulations Assessment screening is carried out for NDPs. The NDP could not be screened out for impacts on the Fal and Helford SAC. Appropriate Assessment has therefore been carried out and concludes that, due to strategic mitigation measures in the Cornwall Local Plan to deal with recreational impacts, it can be concluded that there will be no adverse impacts on the features of these European sites arising from the NDP. Natural England has confirmed that they are satisfied with this conclusion. Based on the scale and location of development proposed in the draft plan, and the strategic and local policy framework, Cornwall Council is of the opinion that the Budock Parish NDP is unlikely to have significant effects on the environment and that SEA is therefore not required. This view has been confirmed by the consultation bodies. See appendix 5 of the basic conditions statement.
